THE UNIVERSITY OF UTAH®

UTAH ENGINEERING

UDCC Open House
Wednesday, September 17th
10:00 am to 3:00 pm
University of Utah
Warnock Engineering Building (WEB), Catmull Gallery
72 So. Central Campus Dr.

The UDCC open house will bring together our consortium partners and engineering students to a single venue. Career services and industry partners will be there to help you with your resumes. Partners interested in sponsoring student internships through the new Data Center Engineering Certificate will be present for questions, and students will have the opportunity to hear from and engage with some of our nation's leading experts in the field. You can visit our website or email us for more information.
